Questions
Please answer the five questions below. (Approximately two - three pages total)

1.) **Leadership/Group Contributions:** Describe examples of your leadership experience in which you have significantly influenced others, helped resolve disputes or contributed to group efforts over time.

2.) **Dealing with adversity:** Describe the most significant challenge you have faced and the steps you take to address this challenge. Include whether you turned to anyone in facing that challenge, the role that person played and what you learned about yourself.

3.) **Community Service:** Explain what you have done to make your community a better place to live. Give specific examples of projects that you have been involved in, any future plans and what you learned from those experiences.

4.) **Educational commitment:** Articulate the goals you have established for yourself and your efforts to accomplish these. Give at least one specific example that demonstrates your work ethic/diligence.

5.) **Your Future:** How do you see your future role with the professional association and the current trends in modifications to the profession?
